

Hi! Thank you for contacting Rummy's Beach Club! WooHoo! Let's have some FUN!

But first.....the serious stuff. Below, please find 6 pages: Instructions, new client forms, photo release, vet referral and donation request.

Rummy's is an exclusive, PRIVATE facility. When you come to Rummy's, you and your dogs are the only ones using the facility. You will be accompanied by a staff member while you are here, but no other people or dogs are using the facility while you are here. You have access to our one-acre PRIVATE dog park with a PRIVATE custom-built dog pool and bathroom facilities and dressing rooms. Your dogs are going to have so much FUN!!!

DOGS / PEOPLE – You can bring up to 3 dogs and 2 people age 16 or older from the same household for the prices quoted on our web site here: <http://www.rummysbeachclub.com/rates---services.htm>! If you bring 3 dogs, they MUST know each other and play nicely. Do not bring dogs / people and leave them in the car. **Sorry - NO CHILDREN under age 16 allowed on the property for liability reasons.**

FORMS - Complete a new client form for each dog you are bringing & email to us BEFORE your appointment. The vet referral form is NOT mandatory, but is preferred. The photography release form is mandatory if you want pictures taken.

Vaccinations – Please send us proof of your dog's current vaccinations or titers. If you no longer vaccinate your dog, please explain why and send us the last vaccinations they received.

MAKE YOUR APPOINTMENTS – After we review your new client forms and proof of vaccinations, we will contact you to ask you when you would like to come swimming. New clients cannot make appointments – however, once you are a client and have swam here once, you can go onto our online calendar and make your own appointments. If you want to come on the weekend, Rummy's is often booked with a waiting list, just ask to be put on our weekend waiting list - we will get you in sooner or later.

CANCELLATIONS – We have a 24-hour cancellation policy - If you cancel your appointment with less than 24 hours' notice, you are responsible for payment of that appointment. We hate to do this, but we won't stay in business long if we don't. You are not charged for weather related cancellations – we pay for those. We don't swim if there is thunder or lightning.

PREPARATION -- DO NOT FEED your dog 3 hours BEFORE swimming. No treats at Rummy's until they are done swimming. Eating stimulates the GI tract and increases the chance of vomit, aspiration or poop in the pool. Protect your skin from dog claws & sun. Workout clothes or a bathing suit covered with a t-shirt works fine. Don't forget towels, blankets, sheets for your dogs to snuggle in on the way home – they will be exhausted. There is a dressing room next to the pool so you can change your clothes. We have dog life jackets, toys & ear cleaner for ears after swimming to prevent ear infections (like swimmer's ear for people).

PARKING -- Please park in the street near our driveway and stay in your car with your dogs so you don't interrupt the dog swimming before you. When it is your appointment time, the large drive-in gates open and the dog swimming before you drives out. We will wave you in. Once inside of Rummy's & the gates are closed, let your dogs out to RUN all around, pee and poop. **Please don't walk your dogs while waiting. Our neighbor breeds pit bulls and does not leash them. AGH!!**

PHOTOGRAPHY – If you sign our photo release form, this gives us permission to take pictures & videos of your dogs for no charge to you. We will text you these pictures or videos and may use them on Rummy's social media and advertising. It may take 4-6 weeks to get your pictures & videos, sorry – my old hands are slower and slower.

DOCK JUMPING – Rummy's has a Floating Dock your dogs can jump off - this dock is only for dogs, not people.

PAYMENT – We offer private hourly swims only. Our discounted swim packages are called Season Passes that you can use once a week, once a month – however you want to use them. You can pay with cash, check or credit cards. We accept all major credit cards. Our prices are on our web site. Please let us know if you have any questions. See you soon!

Rummy's Beach Club is happy to take pictures and or videos and share them with you on Facebook – there is no extra cost. _____ Please write "YES" or "NO" to indicate whether you want pictures taken by Rummy's Beach Club. If you would like Rummy's Beach Club to take pictures and or video, please complete our "Picture & Video Release & Consent Form."

Dogs with vomiting, diarrhea, no appetite, etc. are not welcome -- if your dog is ill or has been near a dog with an infection, please do not bring him swimming for 7 days after exposure.

Aggressive or out of control dogs and people will be asked to take a time-out or leave.

We take the cleanliness of our beautiful pool seriously. We ask you to do the same.

Allow 5 days to elapse after using topical flea treatment. If you come swimming once weekly or more - topical flea preventative will probably not work - you will need a pill form of flea preventative.

Please brush your dog before swimming. Short & smooth dog nails are appreciated.

Dogs new to you must live and thrive in good health in your home for at least 14 days prior to swimming.

When you get to Rummy's, the first 5-10 minutes will be spent letting your dog smell and go potty. Rummy's is a stimulating environment for dogs – don't be surprised if they defecate 2 or 3 times here. Dogs drink a lot of water while swimming. In addition, being in water is a natural diuretic - your dog will need to urinate several times for a few hours after each session.

If you suspect your dog may defecate in the pool – for example if they are older and don't always have control over their bowels or if they have a spinal cord injury, you are still welcome to swim here, we will just make you the last appt of the day so the pool can be cleaned overnight. We take half time breaks to decrease the likelihood of your dog defecating in the pool, however, if your dog defecates in the pool more than one time, your appointments will need to be the last one of the day so the pool can be cleaned overnight.
